

Black Masterbatches

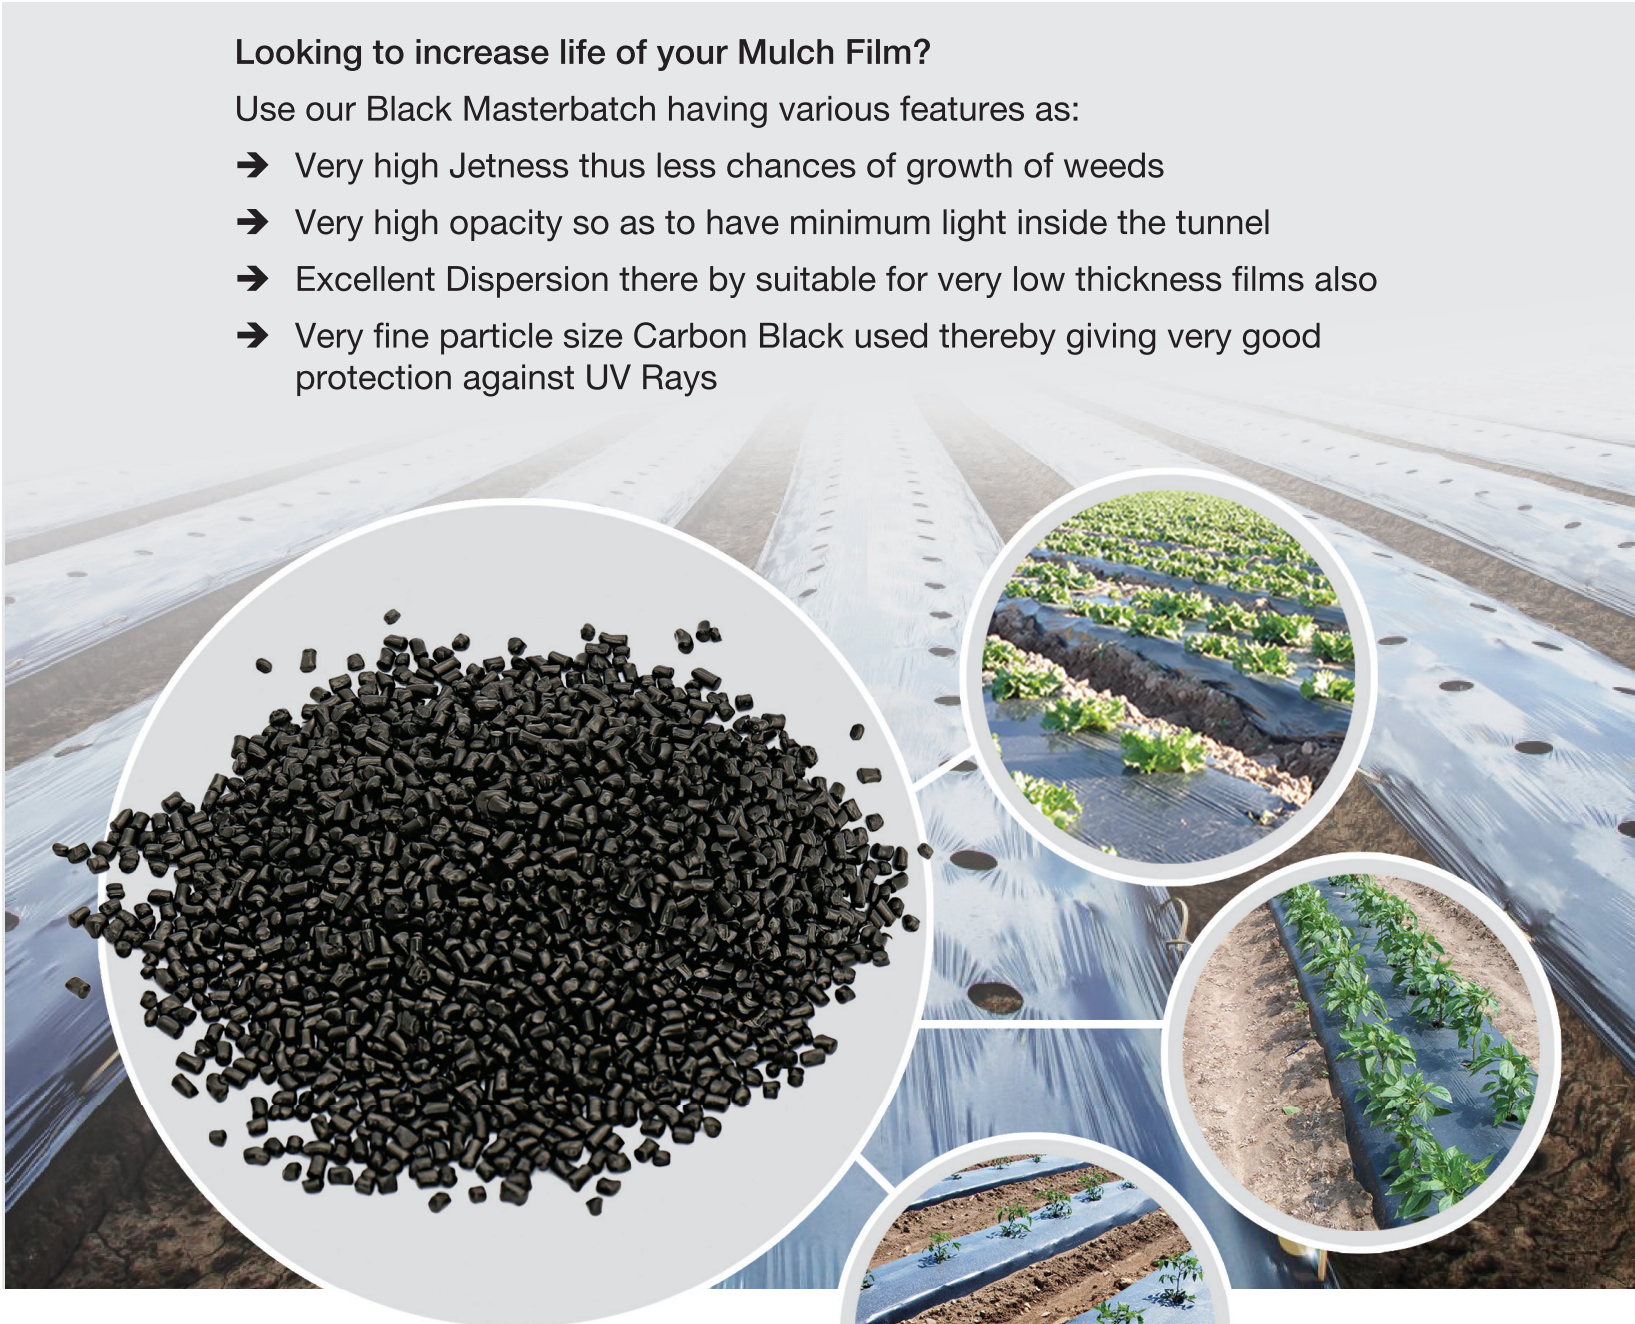

JJ Plastalloy Pvt. Ltd.

Mulch Film

Looking to increase life of your Mulch Film?

Use our Black Masterbatch having various features as:

- ➔ Very high Jetness thus less chances of growth of weeds
- ➔ Very high opacity so as to have minimum light inside the tunnel
- ➔ Excellent Dispersion there by suitable for very low thickness films also
- ➔ Very fine particle size Carbon Black used thereby giving very good protection against UV Rays
